

2013

DODGE CHARGER PURSUIT

The all-new Dodge Charger Pursuit for model year 2011 was met with overwhelming approval by police, municipal administrators, and the public – and the intervening years have proved Charger Pursuit advantages, time after time. Choose the power plant that best serves your jurisdiction – either the best V6 in Dodge history, the 3.6-liter Pentastar® V6 with available Flex Fuel capability, or the available legendary 5.7-liter HEMI® V8, with its long-honored performance attributes delivering on-demand horsepower and torque for exceptional service. But Charger Pursuit is about continued improvement – and recent developments reflect critical thinking to better serve the needs of police. They include: custom sculpted seats with cut-outs to accommodate police and special service equipment; a brilliantly clear full-color TFT display in the EVIC for instant vehicle information; tough GEN 3 front hubs; improvements to reduce brake vibration and judder. Adding to value is that Dodge is also the only manufacturer to supply the vehicle system Interface Module as standard equipment. The finishing touch is the transferable 5-Year/100,000-Mile Powertrain Limited Warranty.⁽¹⁾

PRODUCT HIGHLIGHTS

- Transferable 5-Year/100,000-Mile Powertrain Limited Warranty⁽¹⁾
- 3.6L Pentastar V6 with available 50-state Flex Fuel: 292 hp/ 260 lb-ft of torque – Standard
- 5.7L HEMI V8 with Fuel Saver Technology: 370 hp/395 lb-ft of torque – Available
- Vehicle System Interface Module – Standard
- Uconnect® 4.3 CD/MP3 with touch screen, remote USB port, and audio jack (RHA)
- Uconnect® Voice Command with Bluetooth® – Available
- Keyless Enter 'N Go™ System features proximity entry and push-button start with police strategy
- Column-mounted automatic shift lever with 5-speed AutoStick
- Unique performance front and rear suspension systems with load-leveling/Nivomat® rear shocks
- Severe-duty engine cooling
- 3.06 rear axle ratio – Available on the 5.7L engine
- 2.65 rear axle ratio – Standard
- 200-mm rear axle (3.6L engine)
- 215-mm rear axle (5.7L engine)
- 2 auxiliary power outlets and 1 USB 1.0 outlet located in the instrument panel center stack
- Non-memory power adjustable pedals – Available
- P225/60R18 performance tires – W-rated Goodyear® or Firestone® – Standard
- Deactivate rear doors and windows
- Safety cage construction that exceeds federal mandates for strength
- New black/white Police Graphics set – Late Availability
- Police-specific rear door panels
- Strengthened side-door guard beams
- Steering wheel-mounted audio controls
- Performance steering with new power steering cooler
- PTIM/VSIM (vehicle system integration module) pigtail
- New front seat anti-stab seat panels – Available
- Police upfit packages – Late Availability
- ParkSense Rear Park Assist system – Late Availability

SAFETY/SECURITY

- Awarded as a Top Safety Pick by the IIHS in 2011 and 2012
- Reactive head restraints⁽²⁾
- Advanced multistage front air bags⁽³⁾
- Supplemental front-seat mounted side thorax air bags⁽³⁾
- Supplemental side-curtain air bags⁽³⁾
- 4-wheel heavy-duty disc brakes with unique Electronic Stability Control (ESC),⁽⁴⁾ including All-Speed Traction Control and Brake Assist
- Rain Brake Support
- Ready Alert Braking

NOTABLE POLICE FEATURES

- Unique police-vehicle headliner configurations:
 - Standard headliner with overhead console and red/white dome light
 - Available Street Appearance overhead console with no dome light
- Available Street Appearance Group:
 - Front and rear climate control outlets
 - Black grille with bright chrome surround
 - Full-length floor console
 - Manual foldaway power heated exterior mirrors
 - Fog lamps
 - Rear stabilizer bar
 - 18-inch aluminum wheels with P225/60R18 BSW performance tires
 - Illuminated front cup holders
 - Front reading/map lamps
- Available Convenience Group I:
 - Power 8-way driver and passenger seats; power 4-way lumbar adjuster
 - Power adjustable pedals
- Available Connectivity Group:
 - Auto-dimming rearview mirror with microphone
 - Uconnect Voice Command with Bluetooth Streaming Audio
- Black left spot lamp and matching right spot lamp with new LED bulbs – Available
- Equipment mounting bracket – Available (requires mini floor console)
- Heavy-duty cloth bucket seats with vinyl rear bench
- Full-size spare tire – Available
 - Includes vinyl trunk liner and cover
- 18-inch wheel covers

2013 DODGE CHARGER PURSUIT

BASE POLICE PACKAGE (AYE)

- Front/rear wire harness
- Power distribution center
- Siren speaker and bracket
- Trunk tray and cooling fan

PATROL PACKAGE #1 (AYF)

- Police floor console
- Front corner LED lamps
- Rear corner LED lamps
- Front and rear wire harness
- Power distribution center
- Siren speaker and bracket
- Trunk tray and cooling fan

PATROL PACKAGE #2 (AYH)

- Police floor console
- Push bumper
- Front and rear wire harness
- Power distribution center
- Siren speaker and bracket
- Trunk tray and cooling fan

PATROL PACKAGE #3 (AYM)

- Police floor console
- Front corner LED lamps
- Rear corner LED lamps
- Push bumper
- Front and rear wire harness
- Power distribution center
- Siren speaker and bracket
- Trunk tray and cooling fan

SLICK TOP POLICE PACKAGE #1 (AYN)

- Police floor console
- Front and rear wire harness
- Power distribution center
- Siren speaker and bracket
- Trunk tray and cooling fan

SLICK TOP POLICE PACKAGE #2 (AYP)

- Front corner LED lamps
- Rear corner LED lamps
- Front and rear wire harness
- Siren speaker and bracket
- Trunk tray and cooling fan

NEW FEATURES ADDED FOR 2013

- Power steering cooler
- White police graphics set
- Black police graphics set

• = Standard. O = Optional. P = Included in Package noted.

⁽¹⁾Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

⁽²⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing conditions. Always drive carefully, consistent with conditions. Always use your seat belt.

⁽³⁾Always sit properly with head restraint properly adjusted. Never place anything in front of the head restraint.
